

2019 TSC CHRISTMAS PARTY

by Brian Dolan

A social gathering of TSC members occurred on December 17, 2019 at Brother Johns to celebrate the holidays and to visit with old friends and new. A good time was had by all and this relatively new annual event is starting to become reminiscent of the old days when we used have Holiday Party

Practice at the Ship's Store. If you missed the merriment and the chin wagging this year be sure to join us next year. It sure helps usher in the holiday season in a very pleasant, comfortable and informal manner and I cannot imagine that we won't do it again. Cheers!
