A couple dozen TSC members gathered on a warm July evening to view the initial screening of the film *Maiden* at the Loft Theatre. This is an epic film about Tracy Edwards and her crew aboard the boat *Maiden* and their journey towards being the first all female crew to compete in the Whitbread Round the World Yacht Race in 1989-1990. It is truly an inspirational story and a remarkable film that is certain to ignite many emotions about what the *Maiden* crew went through and rekindle your passion for sailing during the summer doldrums. Definitely a must see film and we hope it does well once it is introduced to the main movie houses. Thank you Gay George for putting this outing and evening together! It was very much appreciated and enjoyed by all.
